**For sixty-five years**, Saint Mary's Catholic School has had a proud tradition of academic excellence; our students meet high standards and challenge each other in becoming faith-filled, responsible citizens, and our alumni proudly go on to a wide variety of academic, athletic, and other pursuits, excelling based on the solid preparation and character development that were part of their experience here. It is our fervent hope that for decades to come, Saint Mary's Catholic School will continue to prepare and develop the leaders of tomorrow.

To support Catholic education in these times and particularly with our nation's current financial challenges is neither easy nor inexpensive...but then, the most significant challenges in life are often those with the biggest rewards. To our Saint Mary's Catholic School Community: faculty, staff, parents, parishioners, grandparents, alumni, and friends -- our heartfelt thanks for your continuing support for the school. It is your financial stewardship and the sharing of your time, talent, and most especially your treasure that allows for our School to thrive financially and to continue its tradition of excellence in all things.

I pray that God will bless each of you and your families richly for your generosity and support.

Sincerely yours in Christ,

*Rev. Patrick J. Kingery*  
Pastor

**Courage, wisdom and the love of God** are the words that we live by at Saint Mary's Catholic School. We continue to pray for the courage to stand by the decisions we make for the good of our students and our school; we continue to ask for the wisdom to be able to make the right decisions and do so in a manner which is consistent with the school's mission; and we continue to strive to live our lives in a manner that exemplifies God's love toward others.

Thanks to the tremendous generosity and dedication of the school's many supporters, Saint Mary's Catholic School is able to fulfill its mission to challenge our students to become lifelong learners and dedicated Christian men and women. We are truly blessed to have such widespread support from our school, parish, and local community. Together, the Parent Teacher Organization and the Development Department raised over \$270,000 during the 2009-2010 school year. This was no small feat considering the dire economic climate which has plagued our nation for the past several years.

On behalf of the students of Saint Mary's Catholic School who benefit directly and indirectly from your overwhelming generosity, I thank you for all that you have done and will continue to do to ensure that they receive the best possible Catholic education.

Sincerely,

*Alex Porto*  
Principal

## CONTINUING YOUR SUPPORT

### ANNUAL FUND

The Annual Fund is the cornerstone of giving to Saint Mary's School. Each year, the Annual Fund is an indispensable part of the school's budget, enabling the school to fulfill its commitment to the students, faculty and academic programs.

### SCHOLARSHIP FUNDS

Patrons interested in helping a student who needs tuition assistance can become a sponsor of a scholarship fund which supports the Catholic education of students with financial needs.

### GRACE SCHOLARS

Georgia taxpayers can make a donation to GRACE Scholars and qualify for the Georgia Private School Tax Credit. Donors will receive a 100% tax credit to be applied to their upcoming tax liability, channeling tax money towards Catholic schools rather than state funds. For more information about GRACE Scholars, visit the web site at [www.gracescholars.org](http://www.gracescholars.org).

### SECURITIES

Gifts of securities, stocks or bonds benefit the donor and the school. This type of gift is tax-deductible and the donor may avoid paying capital gains tax on the appreciated stock or security.

### GIFT-IN-KIND

Donated goods, commodities or services are a welcome giving option at Saint Mary's School.

### PLANNED GIVING

Planned giving is a program in which future resources are provided through such instruments as bequests, trusts, gift annuities, real estate, memorial gifts, life insurance and other financial instruments. Donors can make these gifts and receive beneficial tax advantages.
