## Mrs. Saville's Classroom Newsletter

### Information about PE

Mrs. Thompson has asked me to ask you all to place your student's names in their school uniforms. She reiterates to each of them to place all their clothing in their PE bag so they don't get mixed up. However, they still are. This would just make it easier for her and your students so they do not misplace any clothing.

- All spelling due each Friday (keep up the good work!)
- Sally Foster is due Sept. 8
- Reading Logs are due each Friday. I will assign reading on certain days. It will be listed in their agenda.
- ALSO...please fill out the Highlights order form even if You do not want it. We can receive free gifs for our room!

*Reminder!*

As always...I'm available any time you have a question or a problem! I'm trying to keep edline up to date with important dates, information, and worksheets (reading log, spelling assignments, spelling words).

I hope this helps!

Thanks for all you do!

### WORK IN PROGRESS

Language Arts: This week we will be reading a fantasy in our reading book. We will be working on cause and effect. In grammar we will continue with verbs, irregular nouns, and note taking. In writing we will also begin biographies.

Math: We will review our work from last week over mental math, rounding, estimating, subtracting across zeros, adding and subtracting 4 digit numbers. There will be a test on Thursday over chapter 3.

Science: We are still working on our ecosystems unit. We are focusing on human impact this week and how we can help our environment.
